## FREE EARLYON PROGRAMS - START DATE: APRIL 20, 2020

**Family Let's Create (0-6 years):** Open-ended, creative learning experiences with a variety of engaging materials for children and caregivers to take part and create together.

**Family Move and Groove (0-6 years):** An interactive program introducing children to music, movement and creative play, which encourages cognitive and gross motor development.

**Family Songs and Stories (0-6 years):** Children and caregivers interact through music, songs and stories to enhance language development.

**Family Mother Goose: (0-6 Years):** Parents/caregivers and children benefit from enjoyable, healthy enriched early experiences with language and communication through the pleasure and power of using nursery rhymes, finger plays, and stories together.

**Infant Songs and Stories (0-18 months):** Interact with your infant through storytelling, sign language, songs and rhymes.

**Little Authors, Big Imagination (0-6 YEARS):** This program supports language development, focusing on hands-on experiences using stories to encourage children's love for reading and writing.

**Parenting Workshops (0-6 YEARS):** A variety of workshops to give families the tools they need to raise happy, healthy children. Topics vary each week. Peel Children's Centre will be available during the Parenting Workshop for additional support families of children with special needs.

**Ready, Set, School (0-6 YEARS):** Children engage in a variety of experiences to enhance their academic and developmental skills.

**Shake Rattle and Roll (0-6 years):** A time for children to play with a variety of traditional and non-traditional musical instruments and movement.

**Show & Share (0-6 years):** A group experience for parents/caregivers and children to virtually showcase their art/craft with peers and discuss what they have learned/achieved.
